The opening slate

Three prepublication titles across ideas and society, epic fantasy and espionage. This kit is for early professional awareness while publication records are being finalized.

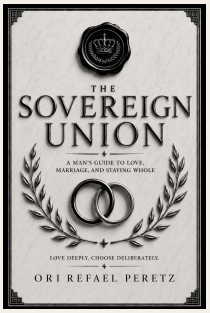

Author (all three titles): Ori Refael Peretz

IDEAS & SOCIETY

The Sovereign Union

Give your heart. Know what you're promising.

First edition in preparation

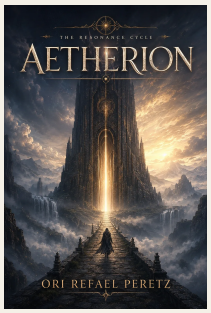

EPIC FANTASY

Aetherion

Creation remembers what empires forget.

Book I in development

ESPIONAGE

The Black Laurel

His father's secrets know his name.

Series in development

When a book is orderable, the record will say so.

Final title sheets will carry the publication date, format, ISBN, price and ordering route once those details are confirmed. Until then, the House presents preliminary title information without treating it as an ordering record.
