AETHERION

The Resonance Cycle

A world in resonance.

Reality remembers that it was once sung.

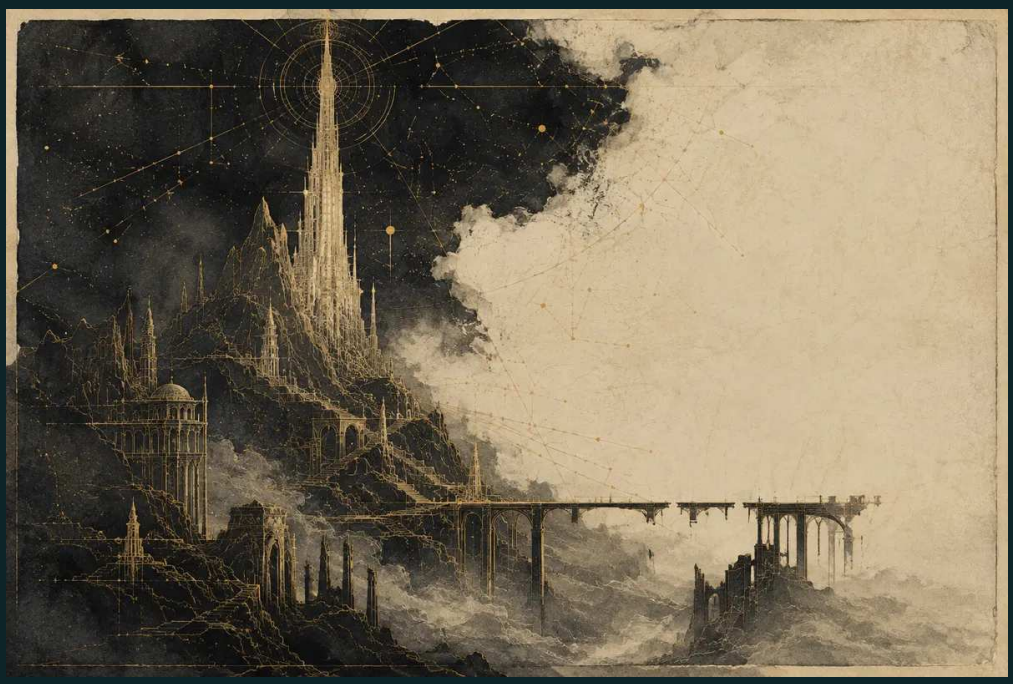

A mythic-fantasy world sustained by Resonance.

AETHERION

The Resonance Cycle

Five known Gates.

Civilizations built around different fragments of the same cosmic order.

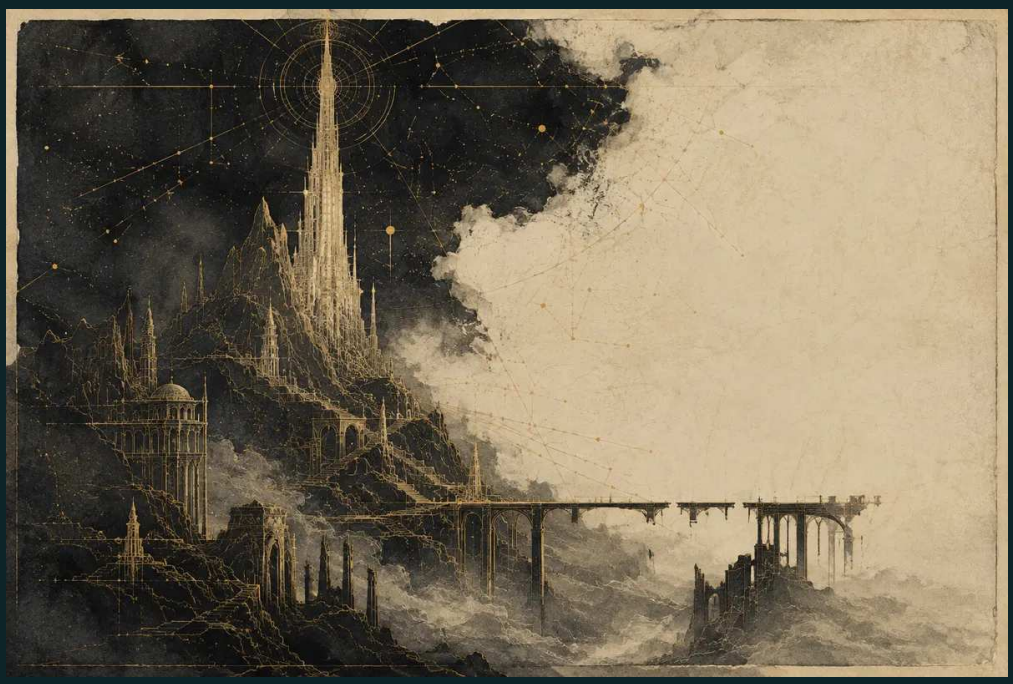

A mythic-fantasy world sustained by Resonance.

AETHERION

The Resonance Cycle

The buried order wakes.

Wonder at the surface. Older forces moving beneath it.

A mythic-fantasy world sustained by Resonance.
