STORY PREMISE

Demigods, heirs of heroic bloodlines and chosen mortals compete under divine sponsors to earn heroic names. Their path to recognition runs through dangerous hunts, monsters and rival champions. Surviving those encounters demands strength, skill and courage, while securing glory also depends on the favor of the gods watching them. The contenders risk mortal lives for recognition judged by immortal powers, each with its own understanding of greatness. To establish themselves as heroes, they must contend with the challenges before them and the expectations of the divine patrons behind them.
