IDEAS & SOCIETY

The Sovereign Union

Ori Refael Peretz

Give your heart. Know what you're promising.

CURRENT STATUS

First edition in preparation

THE ARGUMENT

Before making a lifelong commitment, a man needs to understand both the promise and the responsibilities attached to it. The Sovereign Union brings love, legal marriage, independence and mutual protection into the same conversation. Five composite stories, opposing arguments and a discussion toolkit work through what couples owe each other, how they share risk and how they can prepare for a life together. Serious prenuptial agreements sit alongside questions of trust and commitment, giving readers a basis for decisions they can understand, discuss and stand behind.

READER INTERESTS

For readers interested in commitment, personal autonomy, shared responsibility and the structures surrounding intimate life.
